BRAIN BOOT STRATEGIES

CLASSROOM APPLICATION

"I loved this activity, we had lots of laughs as we all confused ourselves trying to concentrate on what we should be doing. Good alternative to "Simon Says". The students had fun with the challenge."

Recommendations

- This strategy is simple and easily implemented.
- This is a good alternative to 'Simon Says' - it gets the kids thinking.
- Kids enjoyed not having to "follow directions."
- Pair this strategy with lessons on opposites or antonyms.
- Create a list and/or slideshow with more options for opposite pairings.
